

# 12

# WAYS TO FUND YOUR TRIP

## BAKE SALE

Ask your friends and family to each bake a delicious treat and set up a stand at your church, school, or in the lobby of a local business.

## SILENT AUCTION

Gather donated items and assemble baskets for a silent auction using fun themes such as movie night, outdoor adventure, or spa day.

## ENVELOPE ADOPTION

Decorate envelopes with numbers from one to a desired amount. Find a wall on which to display them and have people commit to donate the amount equal to one of the numbers.

## RAFFLE

Collect items to raffle off. Host a small get together where you'll sell the tickets and announce the winner at the end of the event.

## CRAFT SALE

Make fun crafts, such as coffee cup candles, flower crowns, or hand painted signs, and set up a stand to sale them at your church or school.

## COIN DRIVE

Decorate jars and ask to leave them at local businesses, at your church, or at your school to collect donations. Every penny counts.

## CROWD FUNDING

There are dozens of websites like CrowdFunder or GoFundMe that can help you raise funds. The website hosts your page, receives the donations and takes a percentage.

## KARAOKE NIGHT

Find a local business that hosts karaoke or rent a karaoke machine and put on a Karaoke Night. Include a fun prize for the winner and charge admission to the event.

## GAME NIGHT

Host a game night with different fun games like trivia, charades, or Twister. Sell tickets to play each game. Offer some snacks and drinks to the participants.

## MOVIE NIGHT

Using a large flat yard or your church gym, host a fundraiser movie night. Request a donation as the entrance ticket and even raise extra funds by selling concessions.

## USED ITEM SALE

Ask your friends and family to donate slightly used books, clothing, and accessories and have a sale in your lawn or church parking lot.

## CAR WASH

Find a parking lot you can use and offer to wash cars, dogs, bikes or dirty lawn furniture for a donation. Sell concessions or have a bake sale to boost fundraising potential.
